PARTICIPANT SPOTLIGHT

RHONA COLE-BRADY

Rhona Cole-Brady has lived in Hastings for ten years. She learned about P-CoC from a committee member who shared with her the work of the organization. She was excited to learn that an organization existed to give children like her own a voice and by extension all kids- a voice and purpose toward a brighter future .

It saddens Rhona to see that in the year 2022 people of color are still being stung by hatred daily; such behavior makes her wonder: aren't all of us created equal? Yet she is humbled by the opportunity to serve in whatever small way she can to help make a difference for our children's future.

Rhona loves to cook and excels at preparing Caribbean food. She also loves to read. Lastly, she urges everyone: 'PLEASE JOIN OUR EFFORTS IN MAKING THE FUTURE BETTER FOR ALL KIDS'
